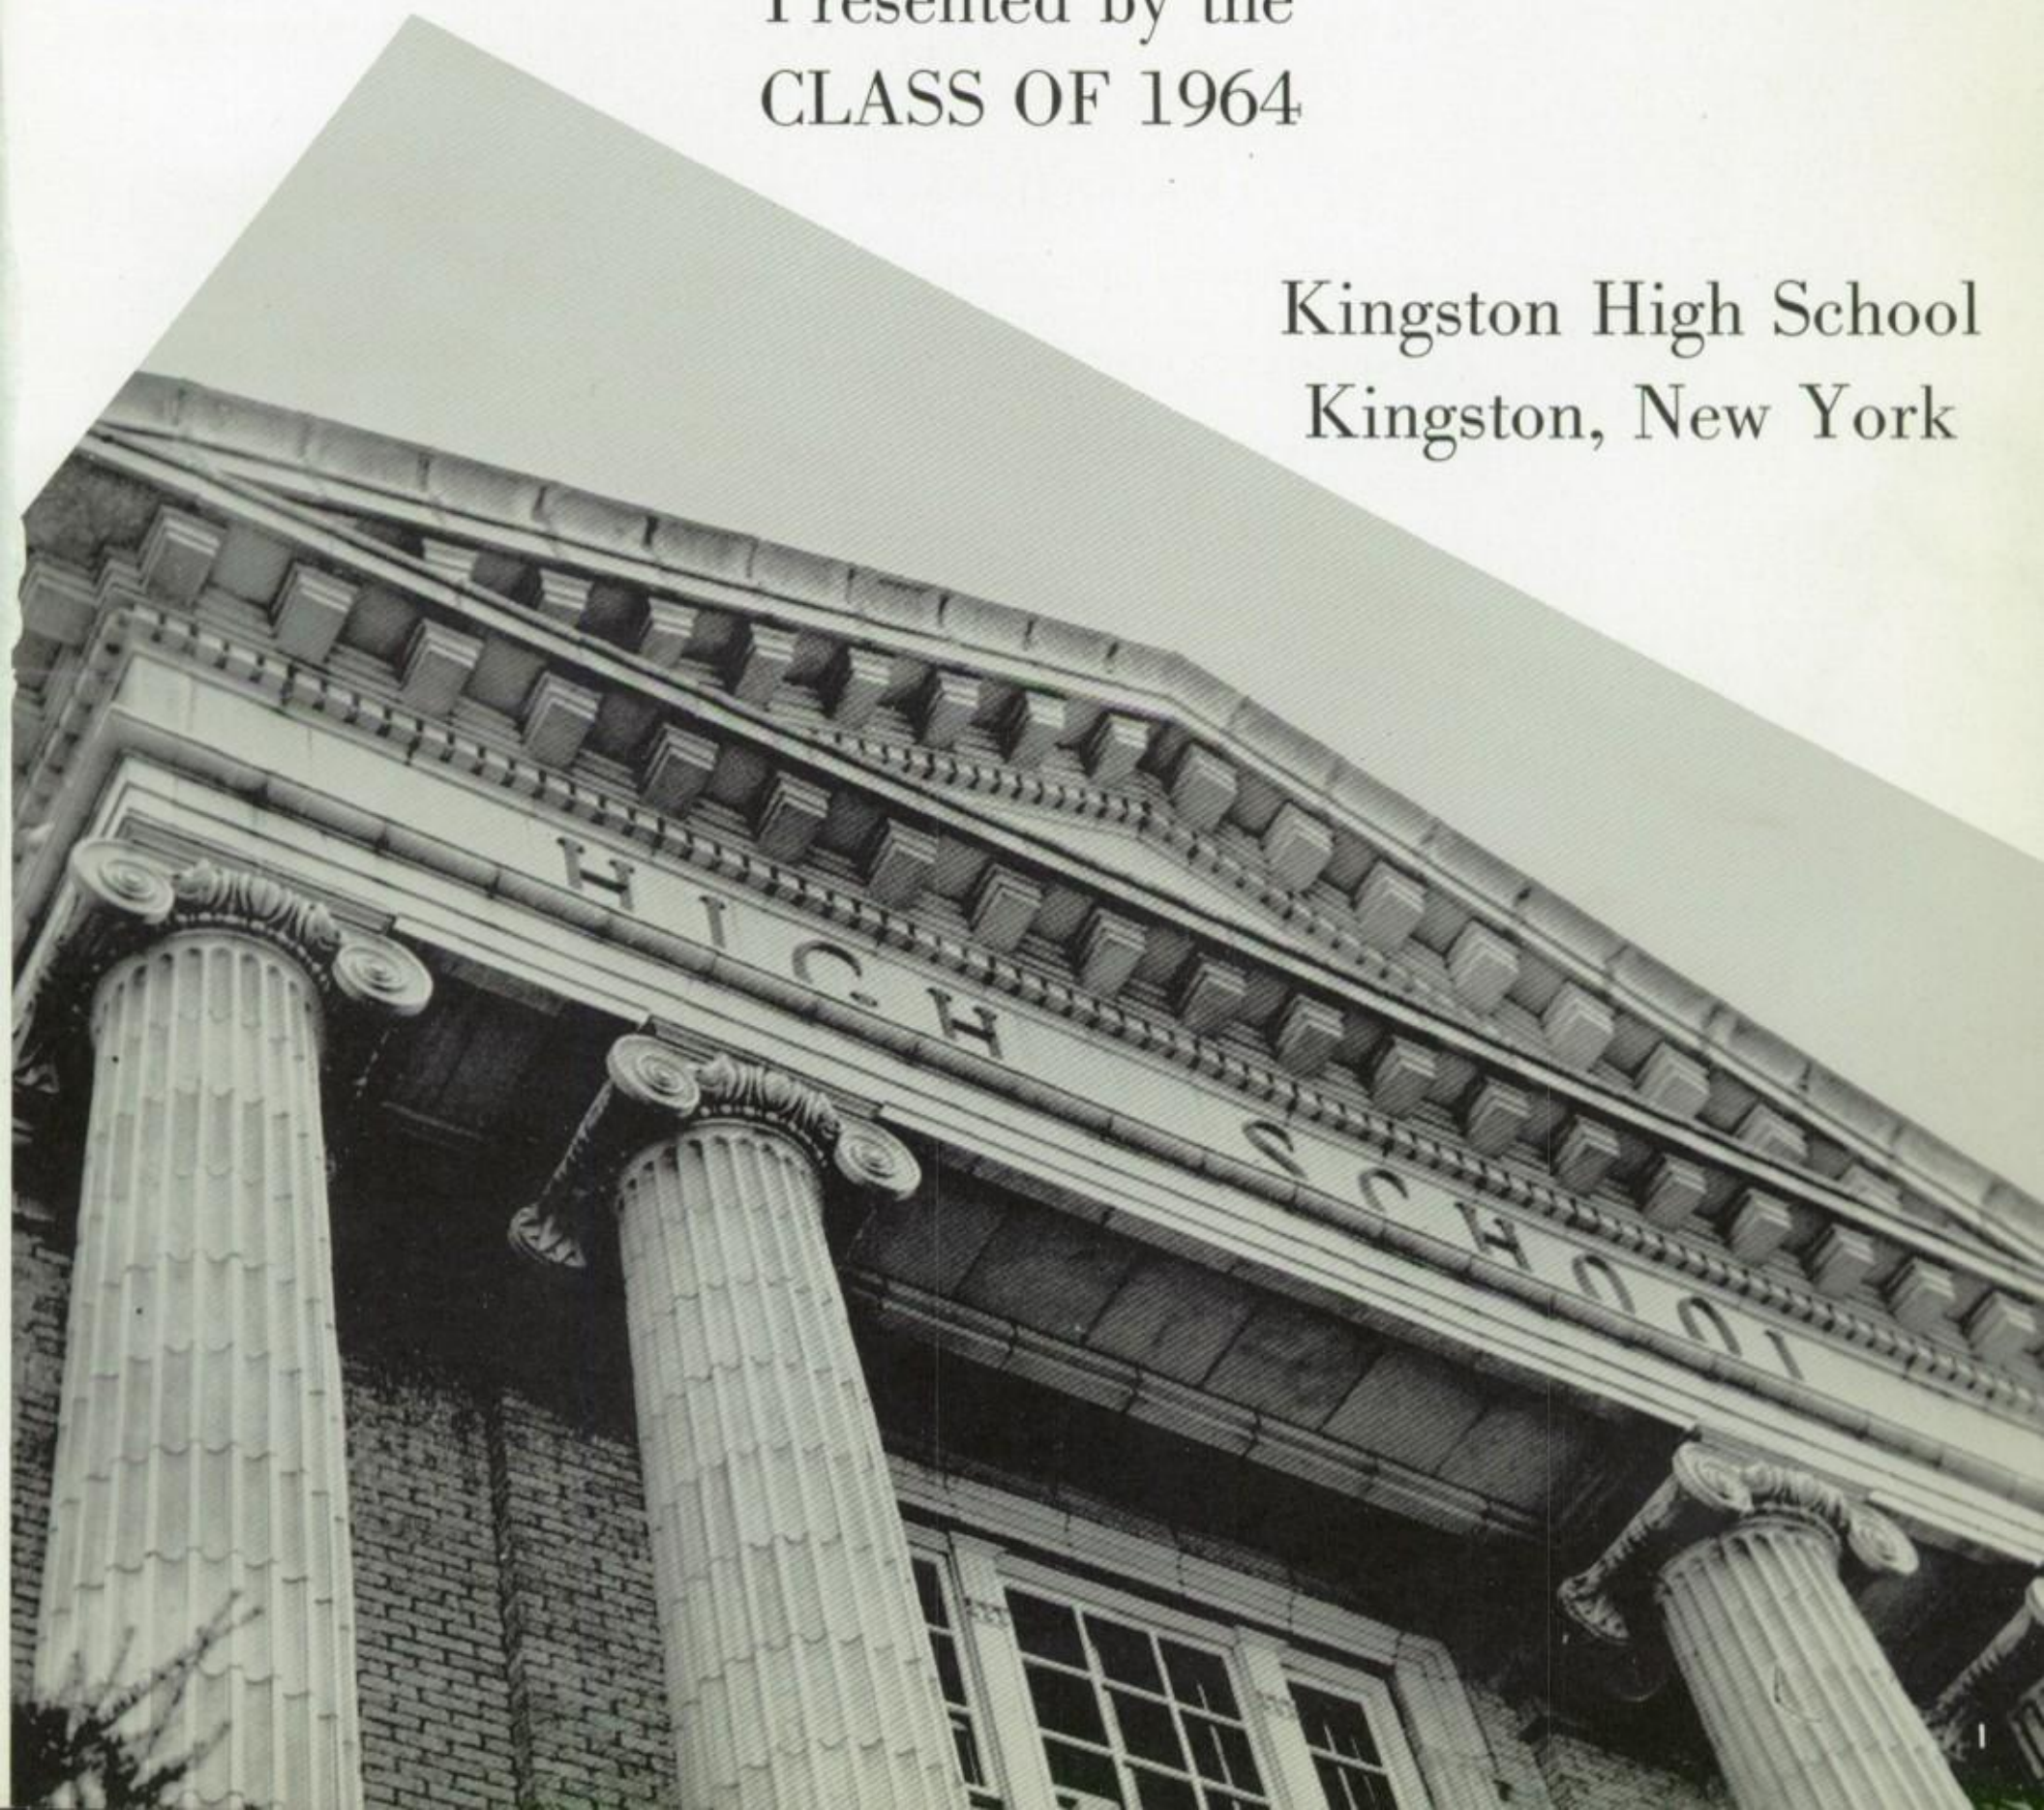
MAROON

Volume 49
Presented by the
CLASS OF 1964

Kingston High School
Kingston, New York



Foreword

The Class of 1964 has chosen as its theme the Hudson Valley. We feel a close bond to the river and as our Alma Mater suggests, we would do well to be as "true"—"true" to the ideals and goals included in the education Kingston High has set before us.

While our scenic valley has retained its hint of legend, it has become a modern industrialized area. Our classes were tailored toward making us a part of such an area. Our education and training will be invaluable.

Here at Kingston High we have enjoyed keen sports rivalries both as participants and spectators. Our well-known choir, our band, and our orchestra have entertained us many times. We have looked forward to each new season and the festivities that it promised.

Thank you, K.H.S., for four fruitful years!

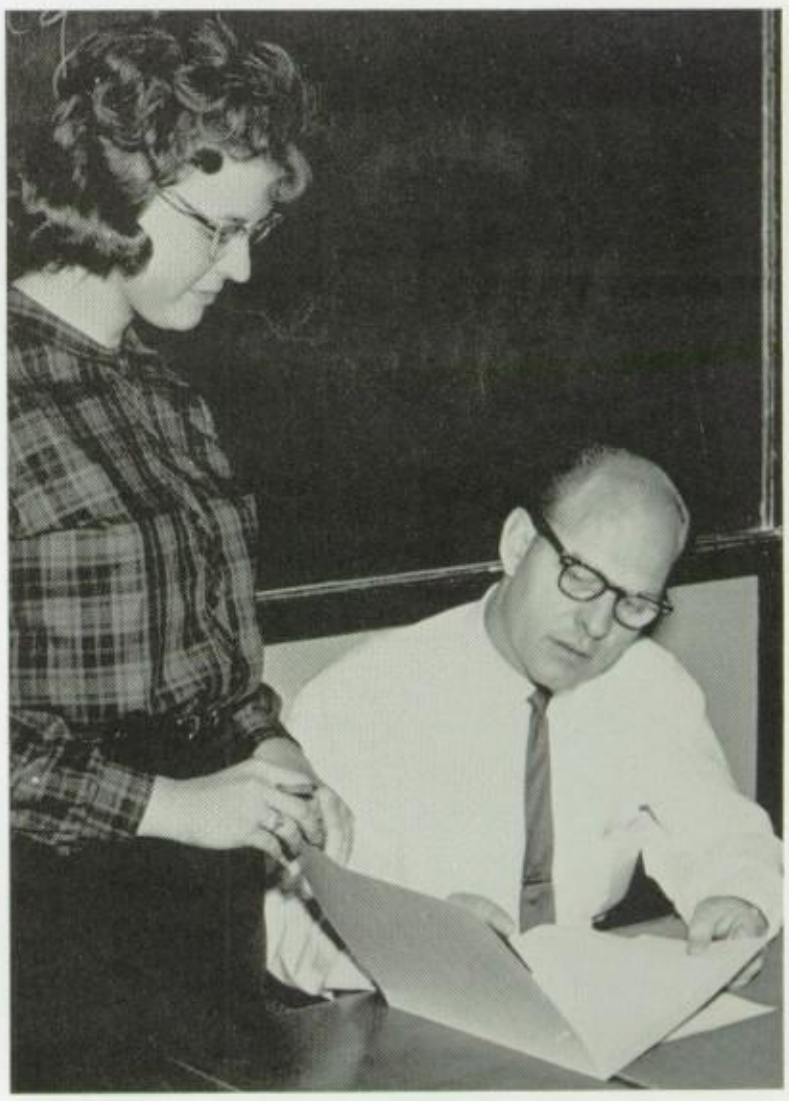
You have understood our problems.

With pride, we pay tribute to you who have become such a genuine part of Kingston High School. You have understood our problems and you have given generously of your time; you have unselfishly devoted yourself to the task of teaching us. To you, Mr. Schaefer, we the class of 1964 dedicate the MAROON in return for the priceless gifts of knowledge and inspiration you have bestowed on us.

You have unselfishly devoted yourself to the task of teaching us.



Thank you, for the inspiration.

OUR ALMA MATER

We, thy children, Kingston High School,
One in loyalty, ever shall be bound together
By our love for thee.
May thy ideals like the Catskills
Rising toward the blue,
Like the never changing Hudson
Be as Brave and True!
Alma Mater, Kingston High School
We shall never fail, to respect thee,
aid thee, love thee,
KHS, All Hail, All Hail!

A TRUE PICTURE OF OUR SCHOOL

The *Maroon* is a record of our school year, our classes, our activities, and our many other experiences. The 1964 *Maroon* staff has endeavored to present this book as a true picture of our school and especially our Senior Class.

This year under the leadership of Co-Editors Lancer and Meyer, the staff began obtaining material for the *Maroon* from the day school started. Our various editors worked hard to make each section of the book a success.

We extend our sincere appreciation to Mr. Schwarz, our staff advisor, who guided us during the trying experiences encountered while organizing the yearbook. We give our thanks also to Mrs. Odell under whose direction the art work was done.

Compiling the *Maroon* was an enjoyable and enlightening experience for the entire *Maroon* staff.

Ours is one of the finest high school papers in the state. At the 26th Annual Empire State School Press in Syracuse it was awarded first prize for best editorial and first prize for best page one, plus three honorable mentions. *Dame Rumor* is informative, amusing, and controversial—all necessary qualities for a good school paper.

Besides serving the student body, *Dame Rumor* is excellent training for those interested in journalism and other writing fields.

The Co-Editors, John Henze and Rick Striefer, did a fine job with the paper. Their hard work and the indispensable guidance of Miss Agnes Scott Smith made the paper run smoothly.

Dame Rumor has become part of our school, and the students' support clearly shows its popularity.

Student Council

The Student Council is a democratic organization formed and conducted with the student body in mind. It consists of two pupils from each homeroom, a representative and an alternate. These students attend the meetings, which are held once every two weeks, and relay any important news of S.C. activities to the students in homeroom. In this way every student knows what is going on in and around the school.

This year Student Council, under the leadership of Jay Donaruma, has been very successful. The Council conducted its yearly Save the Children Foundation Drive, which provides clothes for needy children.

Student Council is also a money making organization. By the sale of shakers and newspapers the Council makes money which is offered as scholarships at the end of the year. The Winter Carnival and the candy selling campaign were highlights of this year's Council.

Hi-Y, a club affiliated with the school and YMCA, has built a strong foundation on clean speech, good sportsmanship, and active participation in projects beneficial to both our school and community. This year in early October Kingston sponsored the youth and government program of the Mid-Hudson area; and later in December sent two boys to Albany to the state-wide Youth Congress. This outstanding club has also worked on the March of Dimes campaign and World Service projects. The boys have also participated in intramural basketball with other Hi-Y Clubs in our area.

Sports

Football

Tom Auringer here demonstrates the determination which marked the efforts of this year's football team. Tom is All-DUSO.

With the return of several lettermen from last year's squad to form a solid nucleus, the K.H.S. Football Team appeared to be headed for a winning season despite its tough schedule. This became more apparent in our first two games when we beat Suffern High School 21-0 and Albany High School 19-7 on the defensive efforts of linebacker Ed Mills and the fine offensive play of quarterback Paul Gruner and fullback Tom Auringer.

THE TIDE TURNS

In our third game we played on even terms with White Plains for three quarters before succumbing to their powerful offense 34-0. It was in this game that we discovered two weaknesses which plagued us for the rest of the season. We had a poor pass defense and our offense was unable to move the ball.

Our first league game was with Poughkeepsie and we battled to a 7-7 tie. Although our offense stalled time and time again, we played a good defensive game, and it was a recovered fumble by tackle Mike Burns which gave us our only touchdown. Next, we played an inspired Port Jervis team and they beat us 33-6.

Row 4: Assistant Coach R. Cole and Head Coach William Hurley.

THE MOUNT PLEASANT GAME

Disaster struck in our next game when we went upstate to play Mount Pleasant, one of the best teams in the state. Kingston could do nothing right and Mount Pleasant could do nothing wrong in this game as the upstaters rolled to a 73-6 victory. We also lost our next game with Middletown 24-6. Although we played well in this game and scored the first touchdown on a pass to All-DUSO end John Sexton, our pass defense failed once again and allowed the Middies four touchdowns. The highlight of this game was a long punt return for a touchdown by All-DUSO halfback Tom Auringer. Unfortunately, Tom's run was nullified when a clipping penalty was called on one of the Kingston players.

COACH HURLEY

At the Thanksgiving Day game, Kingston fought a tough battle with Newburgh before the visitors stopped us 14-0. This was Coach Bill Hurley's first year as Varsity coach. He can be proud of the sportsmanship displayed by his team, especially when the going got tough. He can look forward to an improved team and record next year with the return of several junior and sophomore lettermen.

SPIRIT AND MORALE

By cheering at basketball and football games, the cheerleaders realize their main purpose, to arouse spirit and help build the morale of the players and the spectators. The Varsity, led by Diane Potter, and the Jay-Vees, led by Jane Sweeney, do just that.

Being a cheerleader is not just being able to spur the team on. It requires long hours of hard work. Besides much practice, the girls are expected to maintain passing grades, be prompt and courteous at practice or a game, and to be neat and ladylike in dress and appearance.

These girls achieve their efforts at every game at which they cheer. K.H.S. can be proud of the fine example they set.

K.H.S.'s grapplers finished the season with a four and seven record. There were, however, several individual performers whose efforts should be recognized as exceptional, such as newcomer Nelson Neal, George Ector, and Tom Auringer. It was Tom Auringer who rolled up eleven straight victories. Coach Ken Brown feels that had there been a larger turn out of candidates for the squad, Kingston would have had a larger share of victories.

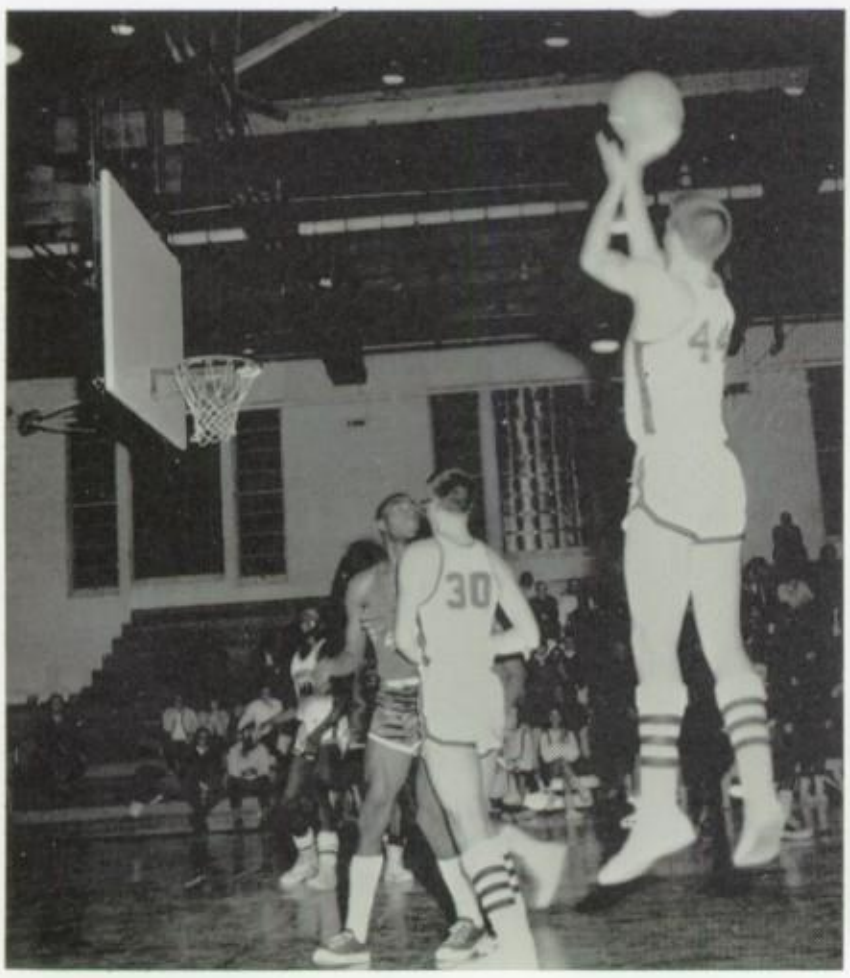
*Indicates DUSO League Games

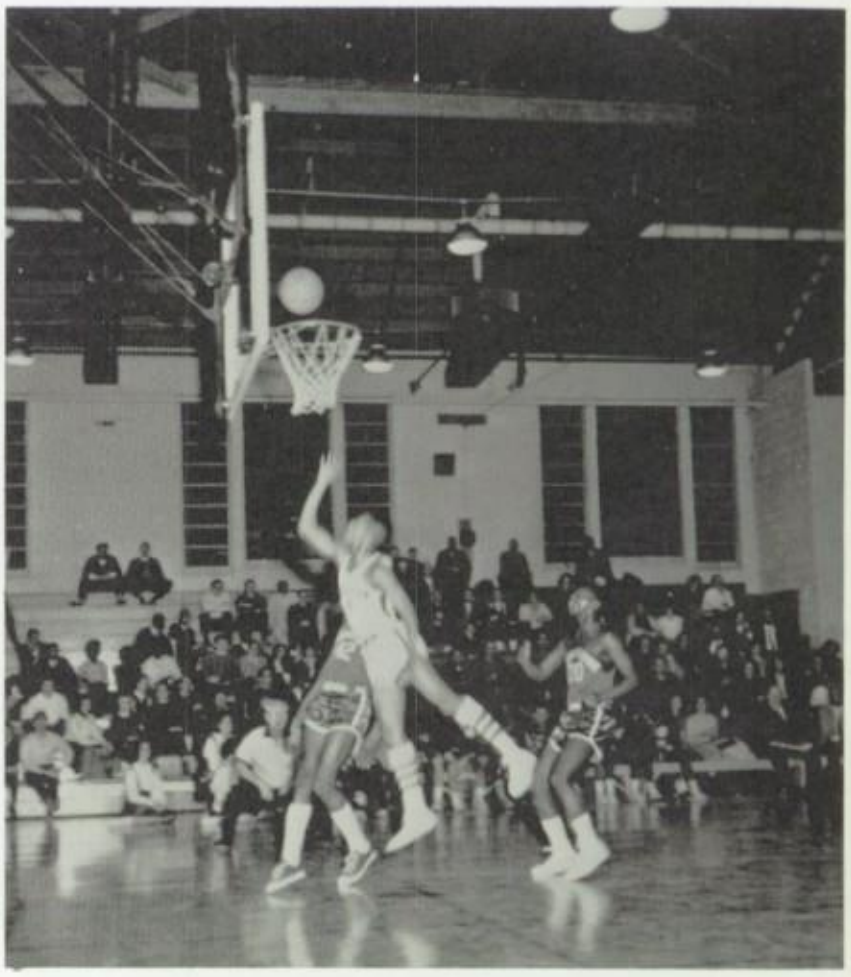
Coach John Gilligan in the Kate Walton Field House discussing plays with his 1963-1964 team.

After an opening win against a strong Monticello squad, the team lost four ball games in a row. Rallying, Coach John Gilligan's cagers won six of their following nine games, with the upset over league leading Poughkeepsie as the big win. Because of erratic play and inconsistency, however, losses were then suffered at the hands of Arlington and Newburgh. In DUSO competition the team's six-five record was good enough for a third place finish, behind perennial powerhouses Poughkeepsie and Newburgh.

Graduating from this year's squad are Co-Captains Mike Canning and Larry Marcus, and seniors Jim Plunkett and Dave "Chip" Ennis. Returning are Larry Armstead, Leon Hanna, Dan Heppner, Mike Burns, Joe Schabot, Wally Lukaszewski, and Brian Bach. As Armstead, Hanna, Heppner, and Bach are still only sophomores, K.H.S. can look to a bright future in coming seasons.



Big Jim Plunkett hit for two against Poughkeepsie.



Sophomore Larry Armstead drives hard for two.

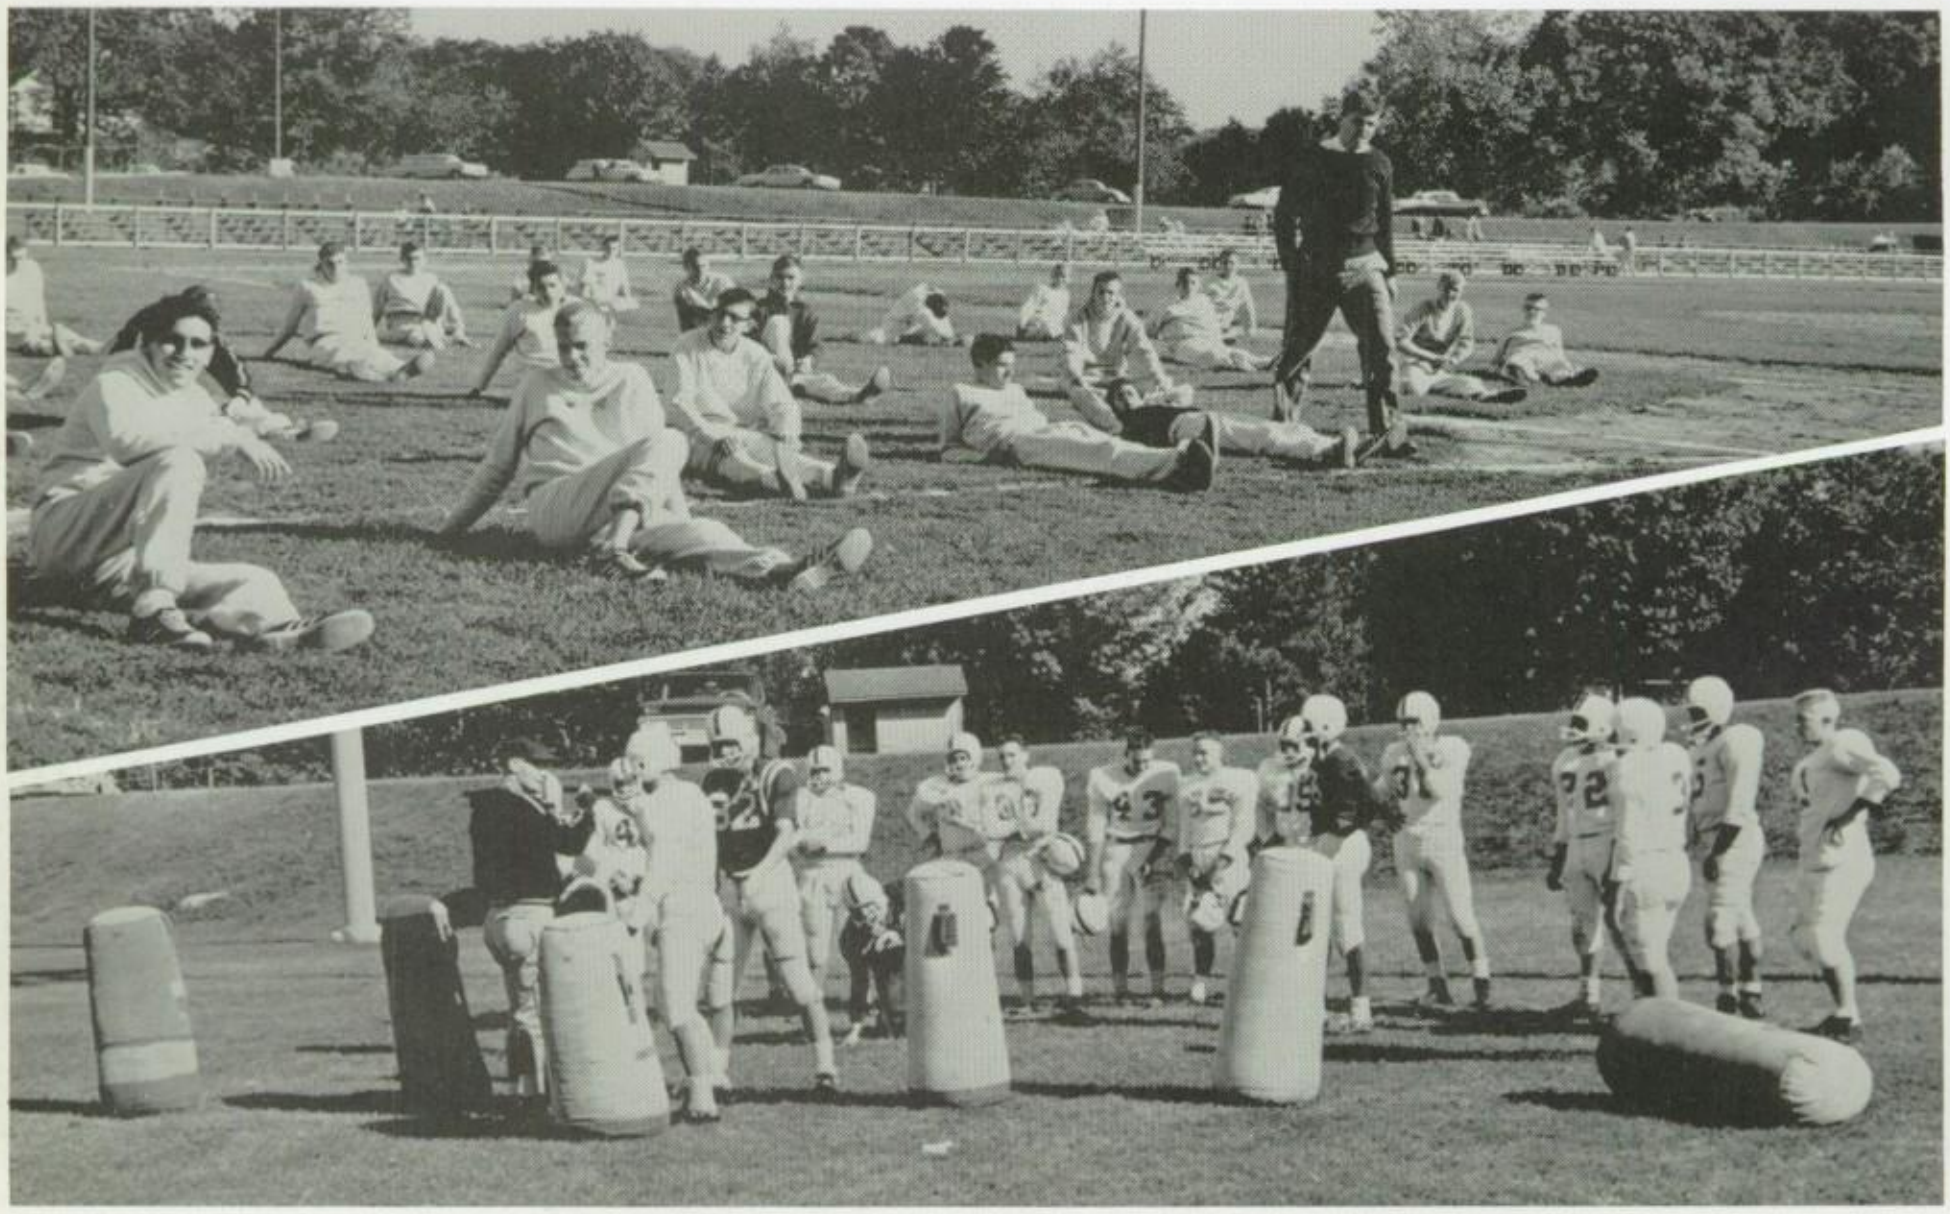
The K.H.S.'s swim team, the newest addition to our sports program, was started this year under the direction of Coach Harry Mayhood. The forming of the team came as a result of a student petition.

Four practice meets were scheduled this year in preparation for expanding into a Varsity team next year. There is competition in diving as well as in the standard breast stroke, back stroke, butterfly, and free style events.



Dietz Stadium was the scene of our fall workouts. The Cross Country Team with Coach Fitzmaurice is in the top picture and the Varsity Football team is seen in the lower picture.

Mr. Fitzmaurice, although in his first year coaching, led the K.H.S. Harriers to another banner year. Led by Captain Dave "Chip" Ennis, Kingston remained undefeated in dual competition for the fourth straight year, usually placing more than seven men in the first ten. We also won the DUSO and Section Nine meets for the second year in a row placing five runners in the first eight in the DUSO and five in the first nine in the Section. The Harriers missed second place in the State meet by one point even with the loss of one of our top runners because of a fall on the slick course. Chip Ennis and George Brocco took second and fourth places respectively in the Class A competition. Next year we will suffer the loss of Chip Ennis, who broke Rusty Peterson's 1957 record with a new mark of 10:58.

Alley.

Coaches William Hurley and Robert Fitzmaurice had a powerful track team this spring. Tom Auringer returned to fill the first spot in the dashes, and John Sexton and Maris Tirums amply filled the supporting roles. Dick Plaatsman returned in the 440 and Ron Wilson and Jum Hogan looked promising in the 880. Record breaking Chip Ennis, along with George Brocco and Barry Goggin, accounted for the first place spots in the distance runs, Oscar Palmer in the high jump, Joe Darwak in the shot, and Captain Dean Short in the pole vault were the main stays in the field events. As the season began, last year's D.U.S.O. winning squad looked as if it had the spirit, coaching, and ability to repeat easily.

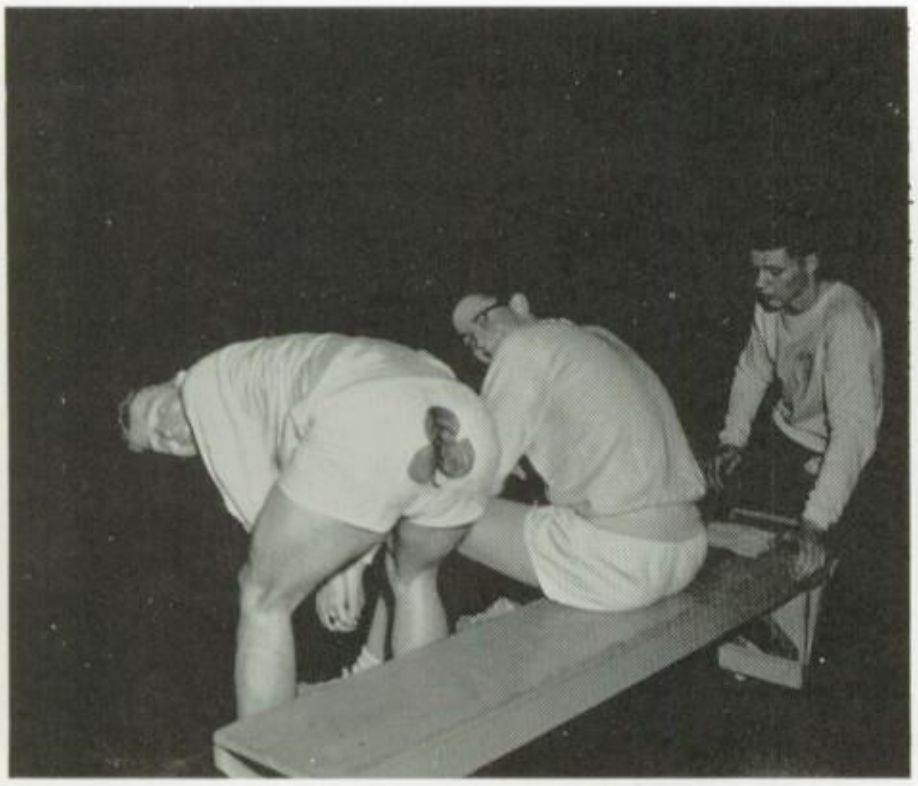
The faculty realizes the importance of athletics for the students, and they show lots of spirit and vigor themselves when the chance is offered. Their softball team is the scourge of the bus-yard, but they met their match in this year's senior basketball champs. The Senior Class would like to extend its thanks to the teachers for their encouragement on the playing field.



The Profs play basketball . . . and . . . meet their doom.

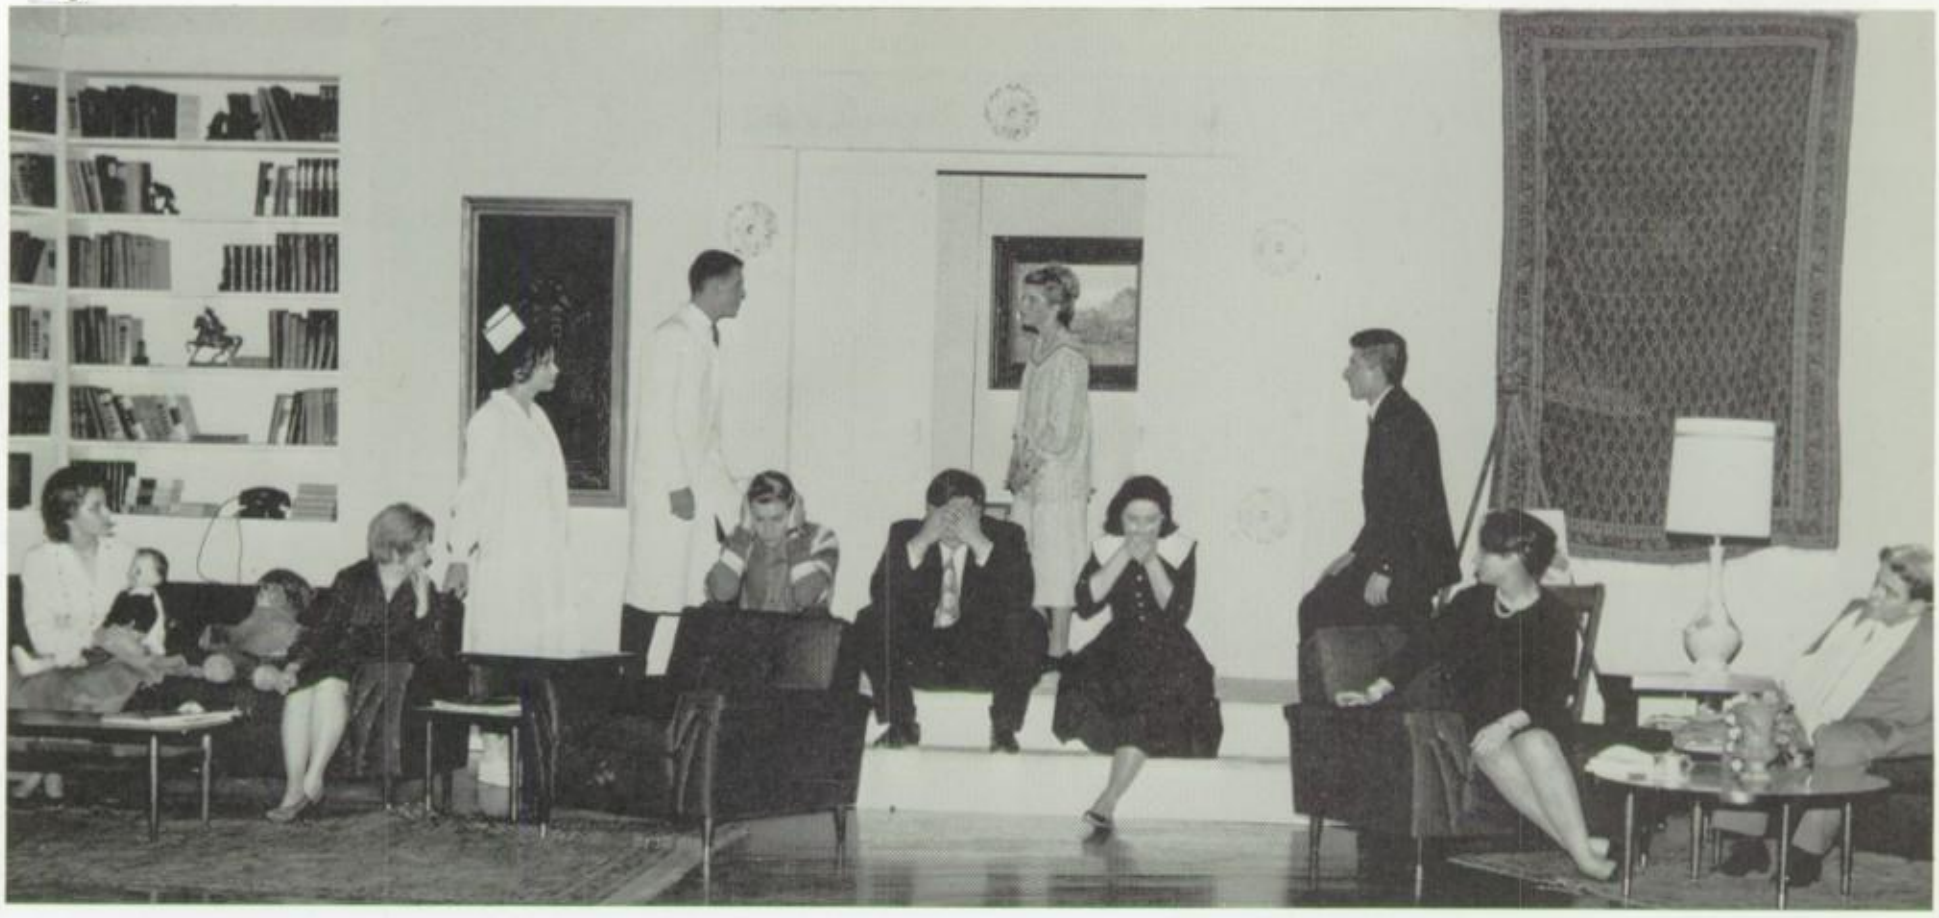
Play

"We've all been waiting for you, Mrs. Paddy."



"Why, we're wearing the carpet out evenly."

The Curious Savage, directed by Mr. Jack Burton, is centered around the madcap adventures of Ethyl P. Savage, an older woman reliving the foolish dreams she cherished as a young girl. Her three children, Titus, Lily Belle and Samuel try to have her committed to a mental institution for her apparently ridiculous actions. At "The Cloisters," the institution, Mrs. Savage learns to understand and love the patients there and bring a little of her guidance and wisdom into their lives. Her family now tries to re-gain possession of ten million dollars held in trust by Mrs. Savage and they find that it has been converted into bonds and hidden. The rest of the play is a conflict between the annoyance of Titus, Samuel, and Lily Belle and the fun of Mrs. Savage and the patients as they poke fun at the intruders. The play ends happily as Mrs. Savage gains her money and leaves "The Cloisters" as a free woman.
